

Friends of PLAY IT SMART

Part of the success of PLAY IT SMART rests in building a network of organizations and individuals, who promote the program, share experiences, participate in community service events, or contribute financially. The Friends of PL AY IT SMART encourages participation in the program by individuals who want to have an impact on America's young people. Even the smallest gesture can have a significant impact on the life of a student-athlete.

- Become a mentor, share experiences
- Participate in community service events
- Attend games or functions
- Donate clothes, school supplies, books or tickets to sporting events
- Contribute money

Give what you can. Your support counts. Your dollars will help place an academic coach in every qualifying school.

Each dollar will make an impact both on and off the field. In addition to the training and compensation of the PL AY IT SMART academic coach, contributions cover everything from educational materials to SAT/ACT registration, parent programs, travel to area colleges and awards for outstanding achievement.

YES. I WOULD LIKE TO SUPPORT PLAY IT SMART.
